Dear Allen:

We should much appreciate a Special National Estimate on

25X1  
25X1

[redacted] I need not rehearse  
the recent developments which justify a new look at the problem;  
our Department has a specific need for an intelligence judgment  
on the new situation.

Our staffs have consulted together on this project, and I  
gather they feel it would be possible to bring a paper to the USIB  
on May 17. I hope you will see your way to authorizing the project  
and aiming at that date.

Sincerely,

*Hugh S. Cumming*

Hugh S. Cumming, Jr.  
The Director of Intelligence and Research

The Honorable  
Allen W. Dulles,  
The Director of Central Intelligence,  
Washington.
